- Optional padded nylon carrying case available.

The EPS Platform Scales offer exceptional accuracy and durability at a reasonable investment. Heavy gauge stainless steel construction ensures an attractive appearance that will last for years. The welded box beam construction is built tough to withstand heavy use. A unique two-stage shock absorption design protects the WWS from damage when other scales would fail. Capacities up to 750 lb are available.

EPS-1 Series

EPS-2 Series

EPS-3 Series

Optional Soft-Sided, Padded
Nylon Carry Case
