

MPS1203

Portable Beam Scale

- **Accuracy**– $\pm 0.1\%$ of full scale capacity
- **Capacity**– 1,000 lb or 500 kg
- **Construction**– Tough cast iron
- **Weigh Beam**– Marked with both lb and kg
- **Platform Size**–
23 5/8" L x 25 1/4" W x 8 1/2" H
600 mm (L) x 641 mm (W) x 216 mm (H)

MPS1203 Portable Beam Scale

Features

The MPS1203 is a rugged and economical mechanical scale for industrial and commercial weighing. This scale has a 1000 lb / 500 kg capacity and features cast iron base construction, a large weighing platform, and is mounted on wheels for easy portability.

These features make this scale ideal for a wide variety of general weighing applications. Open-face poise with pointer and easy-to-read graduations clearly shows exact weight. Set screw holds poise firmly in place when preset.
