MS-8 Electronic "Mail-Master" Scale

**Weigh, Rate and Count Your Mail Accurately
With Detecto's MS-8 Mail-Master!**

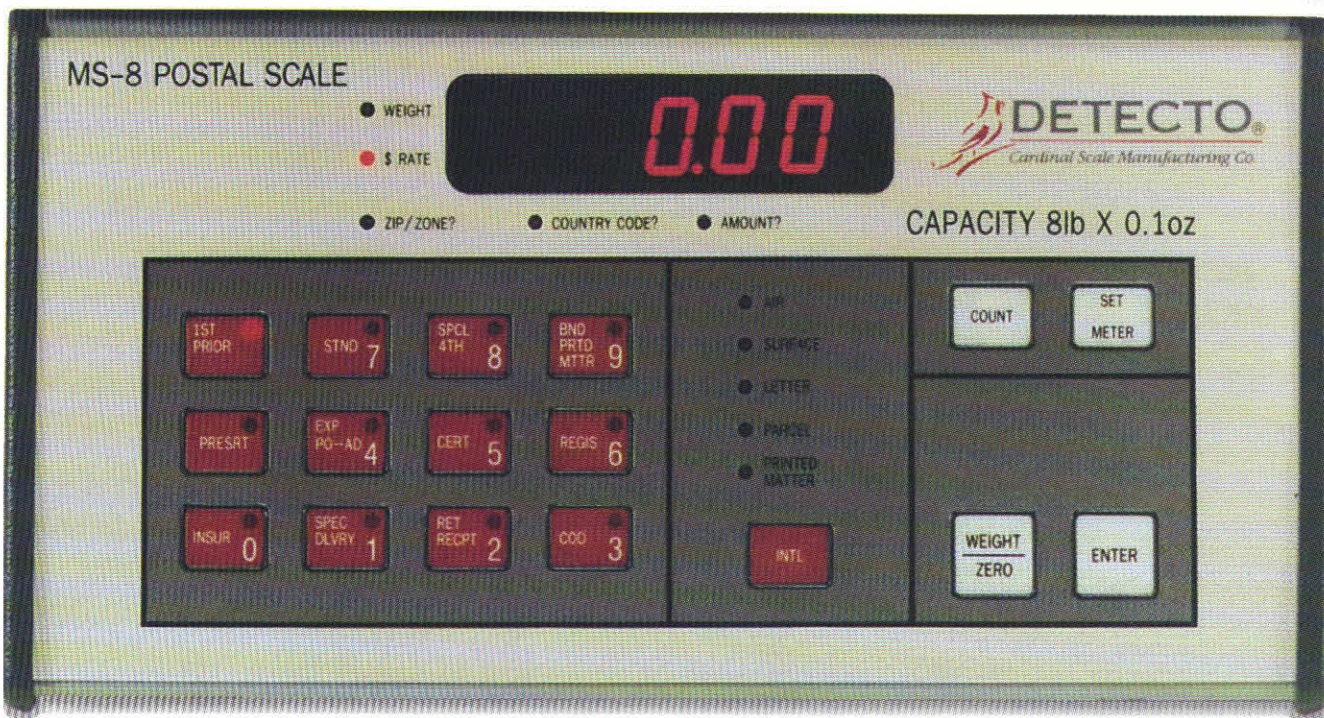

From The People Who Know Weighing Best . . . Detecto!

The Perfect Mail Scale for Office, Mail Room and Shipping department

The "Mail-Master," is a power-packed, auto rate calculating, 8 lb capacity scale that accurately weighs, rates and counts your mail.

The MS-8 is designed for long lasting performance utilizing heavy metal construction and a large brilliant LED display.

Value added features include letter counting, a standard RS232 port for postage meter interfacing and a selectable default service setting for maximum operational speed. A wide range of postal rates are supported such as presort, international and express mail as well as many special services.

Highly visible red LED display provides instant display of weight, postage rate and numeric operator input such as zip/zone, country code and so forth.

The interactive keyboard provides instant indication when a service is selected. "Sleep Mode" may be enabled to automatically turn off display after 10 minutes of non-use.

Services Supported:

1st Class/Priority	Standard Mail	Special Standard
Presort	COD	Bound Printed Matter
Insurance	Registered with Insurance	Certified
International	Express Mail - Post Office to Addressee	Return Receipt
